BETA DELTA CHAPTER 1906-2006

BETA DELTA 100TH ANNIVERSARY RECAP

Beta Delta Chapter celebrated its 100th anniversary in grand style October 13-15, 2006 in Missoula. Here are some of the many comments received:

I was initiated in February 1943 just before leaving for war time assignment. I returned Fall 1945 with eight other Sigs to reopen the House. The University used it for the V-12 program and it was a mess. The nine of us put in a lot of work getting ready for the anticipated return of the Veterans.

By January 1946, 72 Sigma Chi Brothers and pledges returned to UM. We did our best to accommodate them by opening up "Siberia" on the third floor. There was no heat, no light, plank floors and no beds. We were able to secure two dozen Army cots from Fort Missoula. We housed 62 men, hired a cook, and patched up the stove and refrigeration. We had to run the dining room in two shifts for all meals. Everyone pitched in to take care of each other.

A special thanks to all of you for the spectacular 100th Anniversary Celebration! We realize the preparation, planning and work to stage an event for 500+ people and you Brothers did a fantastic job. I had the pleasure of meeting those from my era of 1939 to 1954.

I was on a "spiritual high" at the ritual event at the University Theater and was extremely moved by the "Circle of Friendship" which represented a span of 69 years starting with John Harrison. This was the highlight of my Sigma Chi career!

Pat and I wish to thank your committee for organizing, arranging and conducting such a momentous and terrific 100th Sigma Chi celebration. The banquet was a fitting climax to a typically excellent Sigma Chi event.

We also want to express our gratitude to Greg Beach and brothers who so capably assisted Pat on and off the bus and carried her onto the House porch. I couldn't be more proud of my Sigma Chi brothers.
Dewey Sandvig '52

Congratulations on an exceptional anniversary celebration. I was very proud to have attended the Order of Constantine award presented to Dan Cederberg. I visited with many pledges and actives and I had a feeling there is some very good leadership within Beta Delta.
Don Hooper '63

Kathy and I had a GREAT time and saw many of the 60s era Bros that we never expected to see. Sigma Chi truly is a bond that doesn't change and continues to be one of the special experiences in my life. I was especially impressed with the renovation at 1110 Gerald. I look forward to contributing to the next phase of improvement.

I was privileged to attend the 100th Anniversary of Beta Delta Chapter at the University of Montana. From Friday until Sunday, it was a veritable marathon of wonderful Sigma Chi events and lasting memories for everyone of a weekend that went by all-too-quickly.

Although it was my first trip to Montana, it really felt like I knew the place and the warmth of the hospitality that was shown to me and Grand Pro Consul Bob Jones made it all the more special.

SECOND 100 YEARS FUNDRAISER LAUNCHED

Beta Delta house corporation proudly launched the \$300,000 **Second 100 Years Fundraiser** at the 100th Anniversary Celebration in Missoula on October 14, 2006. This fundraiser addresses two important issues to keep Sigma Chi viable at the University of Montana:

More Bedrooms. Recently, the Fire Marshall prohibited the use of three bedrooms that had been in use for decades (FUBAR, Classroom and Slant Shack). Those bedrooms must be replaced to maintain occupancy goals and to compete with other housing alternatives.

Montana's leading historical architect, Jim McDonald of A&E Architects, was hired to draw a plan for the garage that includes five bedrooms, two will replace Back Shack and Mole Hole plus three more to replace those we can no longer use. The goal is to build and occupy this new space by Fall 2007.

Scholarship Endowment. Three years ago, the Beta Delta house corporation announced a \$1,000,000 scholarship endowment and seeded it with \$150,000 formerly banked with the Sigma Chi Foundation (a subsidiary of Sigma Chi International). The scholarship endowment is currently managed by the University of Montana Excellence Fund as part of a strategic plan to partner with the University.

The goal of the Second 100 Years Fundraiser is to add \$250,000 more to this endowment and produce up to \$30,000 a year in scholarships for Beta Delta brothers. We believe this strategy will attract focused and mature leadership to the chapter.

What can you do to help? Of the \$300,000 goal, 83 contributors made significant pledges at the 100th Anniversary Celebration. (Over \$10,000 was pledged by non-Beta Deltas including SAE and Sigma Nu.) For a list of brothers that have already pledged, go to the website at www.betadelta-sigmachi.org and click on **DONATIONS**.

Attached is a Contributor Form with the Garage Renovation Plan on the reverse side. The time line for the Garage Renovation Project is short. We need your *tax deductible donation* by December 31, 2006. Future generations of Beta Delta Sigma Chis are depending on your financial support.

WHERE ARE THEY NOW?

We need current contact information for the following brothers. Email to info@betadelta-sigmachi.org, mail to PO Box 19605, Portland OR 97280 or call 503.977.7974.
